

NOTICE OF CONSTRUCTION WORKS

CEDAR STREET AREA

COMBINED SEWER SEPARATION

The Town of Aylmer is proceeding with construction works on the following streets:

SPRUCE STREET (from John Street North to Murray Street)

It is anticipated that construction will commence the week of **3 April 2017** on Spruce Street, east of John Street, with completion expected by mid May. Closure of Spruce Street is anticipated during construction operations; however, access will be maintained for emergencies.

CEDAR STREET (from Chestnut Street to Forest Street)

CHESTNUT STREET (from Cedar Street to John Street North)

WALNUT STREET (from Cedar Street to John Street North)

It is anticipated that construction on Cedar, Chestnut and Walnut Streets will commence after Easter weekend, during the week of **17 April 2017** with completion expected by late August. Short duration road closures are anticipated; however, local traffic will be accommodated along with access for emergencies.
